Can you put a Band-Aid on it?

Teddy got a boo-boo on his knee.  
Can you put a Band-Aid on it?

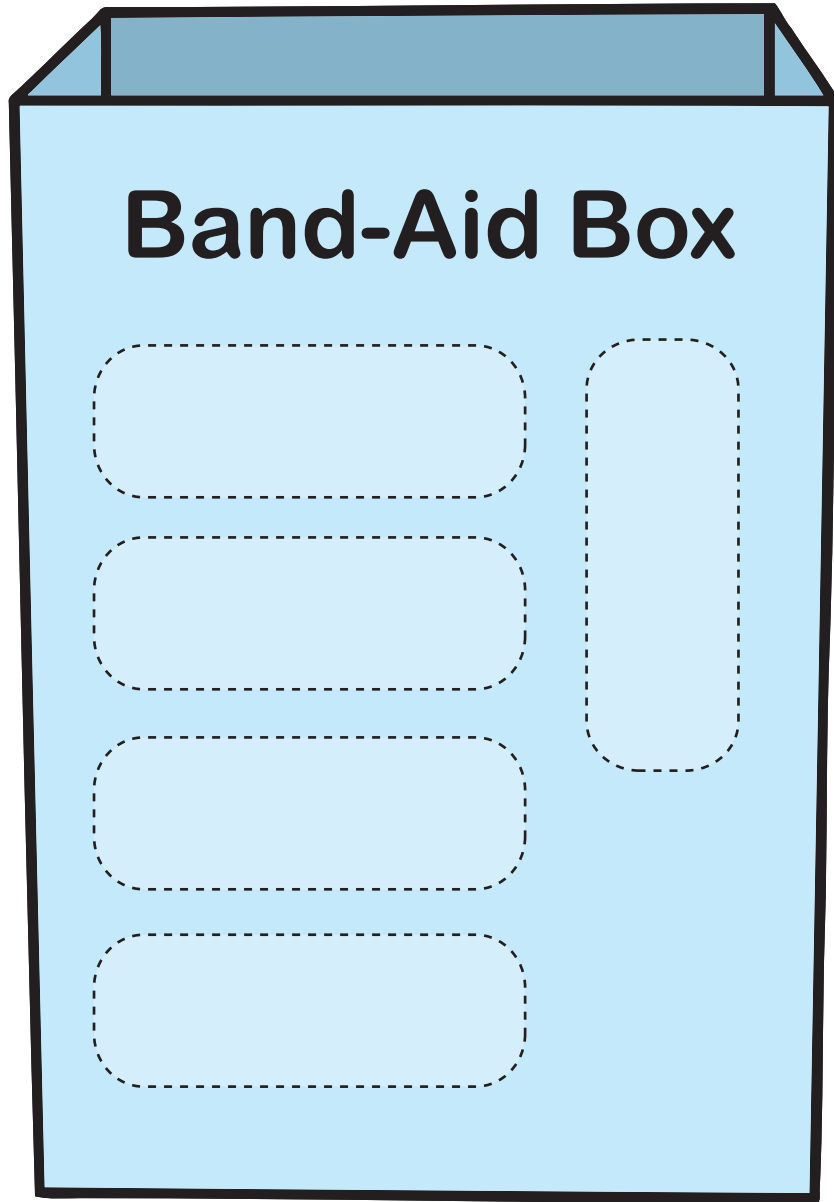

Teddy got a boo-boo on both of his hands. Can you put a Band-Aid on them?

Mommy gave Teddy a kiss and a hug. Now Teddy is all better!

Cut the Band-Aids and paste a scotch-tape ring behind them to temporarily place them in the Band-Aid box (page 7).
